

Who doesn't like to give gifts at Christmas? Seeking out and finally finding just the right gift, wrapping it carefully, and then waiting to watch the receiver's eyes light up is one of the great joys of Christmas. Do we realize that is how God approaches us in this season? God has given us the most precious gift ever in His Son, Jesus. At Christmas, God longs to watch us open that gift with the same excitement and joy as we do when we watch someone we love open our gift.

Join us in December as we unwrap the greatest gift ever given.
